From the moment that we learn to walk and speak, our parents tell us everyone's unique.

Now,
I'm not saying that advice is bad, but

honey, you're not special 'cause you're sad. Not special, no you're not! The

Anti-depressants are so not a big deal.

Big whoop you're on an anti-depressant.

Dr. Akopian:

Sweet cheeks, here's the deal:

Welcome to the club with open admission.

You're
cast in a play that has no audition. Yes, everyone is special, that's usually the sitch, but when it comes to meds, you're such a basic
bitch.

May-be you should adjust your dosage! I al-ready tried that, didn't work!

Rebecca:    Baker:

Have you tried another medication? Yep, but that one made me gain weight.
All except Rebecca and Dr. Akopian::

Oh, that totally happened to me. It got better within a few months!
